Mr. Stebbins states the defendant would like the opportunity to begin treatment and notes he is currently on house arrest.

The Court discusses the defendant's PSR and notes he was given a lenient sentence for the underlying offense. The Court is concerned as to the defendant's recent OWI (5th offense) and believes he is a danger to the public. Mr. Roach recommends revocation and a guideline range sentence of 4-10 months with additional supervised release. Defendant requests a lower guideline range sentence.

Mr. Rector addresses the Court.

Mr. Stebbins states there is a presumption of 18 months imprisonment in state court for the defendant's 5th OWI offense. The Court states this sentence shall commence forthwith.
